Still unsure as to which MA program to choose in the fall? Check out our new trinational and trilingual MA program “Border Studies”!

Our Master in Border Studies, which will start in the winter term of 2017/18, is a two-year joint international study program, which addresses the complex economic, political, social and cultural issues of borders and of border regions in Europe and beyond.

The study program is designed for students with different disciplinary backgrounds who wish to develop the necessary skills and competencies to work in intercultural and cross-border settings.

The multilingual study program is located in three countries at four different universities:

- University of Luxembourg (LUX)
- University of Lorraine (FR)
- Saarland University (DE)
- University of Kaiserslautern (DE)
